ANNUAL REPORT

THE COVER

The Rindge Fire Station was built in 1955 on land donated by Harris Rice. Additional land at the Fire Station was donated by John B. Rice. An addition to the Fire Station was built in 1972.

The Rindge Fire Company was established in 1925 following the "Great Fire" in Rindge Center. During those days the Fire Apparatus and Equipment was housed at the Harris Rice property, the John Crosby property and other resident's property.

Currently, we have a roster of thirty-two (32) Firemen, five (5) pieces of fire fighting apparatus, plus a Rescue Truck and a Rescue Boat.

In addition to Fire Prevention, the Department provides Emergency Medical Services.

To report a Fire or call for Emergency Assistance, including the Rescue Truck CALL 1-352-1100.

ANNUAL REPORT

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT 1986

To the inhabitants of the Town of Rindge, in the County of Cheshire, State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to appear at Rindge Memorial School Auditorium in Rindge Center in said Rindge on Tuesday, the 11th day of March next, from 8:30 A.M. to 6:30 P.M., to choose all necessary Town Officers and School District Officers for the ensuing year, and to vote on such matters as may appear on the ballot.

The Business Meeting will be called to order at 7:00PM to act upon the following subjects:

ARTICLE 1. To hear and act upon the reports of the Selectmen, Town Treasurer, Town Clerk, Overseer of Welfare, and reports of all agents, committees, and officers heretofore chosen, and act in any way relating thereto.

ARTICLE 2. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of same.

ARTICLE 3. To see if the voters will authorize the Selectmen and Town Treasurer to borrow money in the anticipation of the collection of taxes for the current year, and to issue in the name of the Town negotiable notes therefore, said notes to be repaid during the current year from taxes collected during the current year.

ARTICLE 4. To see if the Town will vote to allow a discount of 2% on property taxes if paid within ten (10) days of presentation of bill; or 1% if paid within thirty (30) days, and that no discount be allowed on partial payments, and that no discount be allowed after thirty (30) days from date of bill.

ARTICLE 5. To see if the Town will vote that the Selectmen may accept any and all legacies, gifts, grants, and subsidies to the Town in Trust or otherwise by any individual or individuals; and to further authorize that the funds may be expended for the purpose stated, or take any other action relating thereto.

ARTICLE 6. To see if the Town will vote to authorize the Selectmen to sell at Public Auction property acquired by Tax Sale; and to dispose of or sell surplus personal Town property.

ARTICLE 7. To see if the Town will vote to appropriate and authorize the withdrawal from the Capital Reserve Fund established for this purpose, the sum of \$ 48,500.00 towards the purchase of a Highway Department Dump Truck.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$ 43,000.00 to be placed in the Capital Reserve established for the purpose of a Reassessment/Revaluation in the late 1980's.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$ 2,500.00 for the purchase of fencing around an additional ballfield at the Wellington Road Recreational Area.

ARTICLE 10. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund the sum of

4.
ANNUAL REPORT

\$ 31,000.00 for the purchase of a Backhoe for the Highway Department.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$1,000.00 as Rindge's share towards a Workmen's Compensation Policy for the drivers of the Jaffrey-Rindge V.F.W. Ambulance Service.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$ 2,307.20 in support of the Monadnock Family and Mental Health Service.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$ 10,514.00 in support of the Home Health Care and Community Services.

ARTICLE 14. To see if the Town will vote to grant an easement to Richard J. & Dolores A. Schneider for the use and maintenance of a certain well located adjacent to the Town Common Road and the Village Grocer property, such easement to contain a release from Richard J. and Dolores A. Schneider to the Town of Rindge holding the town harmless from any claims which may presently exist or which may arise in the future due to maintenance of the Town Common Road by the Town of Rindge.

ARTICLE 15. To see if the Town will vote to authorize the Board of Selectmen to grant a cable television franchise in accordance with R.S.A. 53-c:R.S.A. 53C:1-5.

ARTICLE 16. To see if the town will vote to retain for its future use, land shown on Tax Map 2 Lot 15, consisting of twenty-two (22) acres, located on Rand Road. (BY PETITION).

ARTICLE 17. To see if the town will vote to oppose the burial, storage, transporation and production of high level radioactive waste in the Town of Rindge and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the US Department of Energy's (DOE's) present plan to dispose of radioactive waste and into DOE's competence to carry out such a plan. (BY PETITION).

ARTICLE 18. To see if the Town will vote to create a Town Personnel & Compensation Committee to study the personnel, compensation, and benefits issues that pertain to all Town employees, and to further make recommendations for personnel and compensation policies to the Selectmen and to report to the Townspeople of Rindge at the 1987 Town Meeting. The committee would consist of three (3) people to be appointed by the Selectmen, plus one (1) Selectman and one (1) member of the Budget Committee. (BY PETITION).

ARTICLE 19. Are you in favor of amending the Zoning Ordinance of the Town of Rindge as proposed by the Planning Board and printed as follows:

ARE YOU IN FAVOR OF THE ADOPTION OF THE " WETLANDS CONSERVATION DISTRICT ORDINANCE" AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN OF RINDGE AS FOLLOWS:

Section 1 General

The Wetlands Conservation District is hereby determined to be all surface waters as well as those areas delineated as poorly drained or very poorly drained soils identified by the U.S. Department of

5.
ANNUAL REPORT

Agriculture Soils Conservation Service in cooperation with the Cheshire County Conservation District. The Wetlands Conservation District of the Town of Rindge as herein defined is shown on a map designated as the "Wetlands Map for the Town of Rindge". In all cases where the Wetlands Conservation District is superimposed over another zoning district in the Town of Rindge, that district whose regulations are the more restrictive shall apply.

Section 2. Purpose

In the interest of public health, convenience, safety and welfare, the regulations of the District are intended to guide the use of areas of land with extended periods of high water tables.

A. To regulate the development of structures and land uses on naturally occurring wetlands which would contribute to pollution of surface and ground water by sewage or other contaminants.

B. To prevent the destruction of natural wetlands which provide flood protection and natural habitats for wildlife.

C. To prevent unnecessary or excessive expenses to the Town to provide and maintain essential services and utilities which arise because of improper use of wetlands.

Section 3 Use of Wetlands

A. Permitted use of wetlands is any use that does not result in the erection of any structure or alter the surface configuration by the addition of fill or by dredging and that is otherwise permitted by the Ordinance.

B. An application must be made to the Zoning Board of Adjustment for a special exception for any change in the use of Wetlands.

Section 4 Special Exceptions

A. Special Exceptions for the undertaking of a use not otherwise permitted in the Wetlands Conservation District which may include the erection of a structure, dredging, filling, draining or otherwise altering the surface configuration of the land may be granted by the Board of Adjustment if it can be shown that such proposed use will not conflict with the purpose and intentions of Section 2. Proper evidence to this effect shall be submitted in writing to the Board of Adjustment accompanied by any necessary permits or State Approvals. If requested by the Board of Adjustment the application shall also be accompanied by the findings of a review by the Cheshire County Conservation District of the environmental effects of such proposed use upon the wetlands in question. The Rindge Conservation Commission shall receive notice from the Board of Adjustment of any application for Special Exception and shall render an advisory opinion to the Board on such applications.

B. Inaccuracies in the "Wetlands Map for the Town of Rindge" may be corrected by the Board of Adjustment when documented by an on-site investigation and analysis by a qualified soils scientist and approved by the Soils Conservation Service. Any necessary soil testing procedures shall be conducted at the expense of the landowner or developer.

Section 5 Special Provisions

A. No new septic system may be installed closer than one hundred (100) feet to the normal high water mark as determined by the Cheshire County Conservation District of any wetland or surface water.

B. Wetland areas, excluding bodies of water, may be used to satisfy

ANNUAL REPORT

minimum lot area and setback requirements and may be used when applying a residential density factor, provided that the remaining lot area or tract is sufficient in size and configuration to adequately accommodate all required utilities such as sewage disposal and water supply.

C. Any prior existing non-conforming use of land or buildings on or adjoining wetlands shall be deemed a non-conforming use and when such use is discontinued for one year, such land and/or buildings become subject to the Wetlands Conservation District Ordinance.

Section 6 Enforcement

A. The Board of Selectmen is hereby authorized and empowered to adopt such rules or organization and procedures as are necessary for the efficient administration and enforcement of this ordinance.

B. Upon any well founded information that this ordinance is being violated, the Selectmen shall on their own initiative, take immediate steps to enforce the provisions of this ordinance by seeking an injunction to the Superior Court or by any other appropriate legal action.

If any section, provision, clause or phrase of this ordinance shall be held to be invalid or unconstitutional by any court or competent authority, such holding shall not affect, impair, or invalidate any other section, provision, portion, clause or phrase of this ordinance.

ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NO. 1 AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN OF RINDGE ZONING ORDINANCE AS FOLLOWS: TO AMEND ARTICLE II: DISTRICTS, TO READ:

For the purpose of this ordinance, the Town of Rindge shall be divided into five (5) districts as shown on the official zoning map filed with the Town Clerk and dated March 11, 1986.

ANNUAL REPORT

BUDGET COMMITTEE REPORT

The Budget Committee is in general agreement with the Town Budget as it appears in this Town Report. We feel that the increase of \$ 83,990.00 is more than we would like to see, but in our detailed budget reviews with the various department heads and the Selectmen, we have concluded that these increases stem mostly from payroll and operating expenses. We believe that this is a part of the general "Cost of Doing Business" for our town at the level of growth we are experiencing. We recommend that the Town Budget be approved as presented.

We are in general agreement with the money articles as they appear in the 1986 Town Warrant with the exception of Article 9.

We concur with the Selectmen in their requirement that each department prepare a Five (5) Year Capital Improvement Plan. We recommend that this should be an annual five (5) year "rolling plan" which adds a new "5th year" each year. We suggest that these plans be reviewed by the Selectmen and the Budget Committee each year in preparation of the Town Budget and be provided to the Planning Board for use in developing the Town Master Plan.

We recommend that an article be placed on the 1986 Town Warrant creating a Town Personnel & Compensation Committee to study personnel, compensation, and benefits issues that pertain to all Town employees and to further make recommendations for personnel and compensation policies to the Selectmen and to the townspeople at Town Meeting. This committee should consist of at least 1 Selectman, 1 member of the Planning Board, 1 member of the Budget Committee, and at least 2-4 other townspeople who might have experience, knowledge, or interest in these issues.

We are concerned that in spite of a 3/4 of a MILLION DOLLAR budget and total appropriations of almost \$ 1 MILLION that only a few townspeople attended the Public Informational Meeting to ask questions, make comments, and provide the Budget Committee with their feelings and concerns about this year's Town Budget. We believe that it is time for more townspeople to become interested in the budget process. We all complain about our tax rate but very few people seem to want to question or understand why the Town of Rindge is going to spend almost a million dollars to operate in 1986. With continued growth and increasing demands by our townspeople for more and better services, we can only foresee a continual climb in the tax rate. The townspeople of Rindge need to ask questions about the budget and to understand what it is that they are getting for their tax dollars.

Respectfully submitted,
RINDGE BUDGET COMMITTEE

ANNUAL REPORT

REPORT OF THE ROAD AGENT
For the Year Ended December 31, 1985

The Highway Department summer projects were as follows:

1. Widening and graveling the unimproved section of Rand Road off the Robbins Road, approximately 2,800 feet.
2. Installing 60 feet of 24 inch culvert, 240 feet of beam railing and widening approximately 150 feet on the Thomas Road.
3. Resurfacing 5,290 feet on the Abel Road, which included regravelling existing base and applied 1,300 tons of hot top.
4. Paving the first section (600 feet) of the Loop Road in Little Michigan using 160 tons of hot top.
5. Sealing 10,100 feet of Thomas and Robbins Road.
6. Sealing 2,600 feet of Hunt Hill and Todd Hill Road.
7. Sealing 1,500 feet at the East end of Lord Brook Road and re-surfacing 1,200 feet on the West end, including the intersection with Middle Winchendon Road, using 260 tons of hot top.
8. The installation of the ramp for the handicapped at the Town Hall and along with regrading and paving the parking lot, using 80 tons of hot top.

At the present time the Highway Department and Selectmen, along with input from the Budget Committee, is looking at the alarming rate of growth in Rindge and it's effect on the Highway Department. With over 100 Building Permits issued during the past two years (many on portions of low priority roads) the Highway Department Budget has only increased according to inflation factors and has not increased due to this growth and additional expense for road maintenance and/or reconstruction.

Hopefully, without cutting services, town officials, by careful long range planning, can solve the problems of this increased growth and related highway expense in a manner that won't cripple the over-burdened taxpayers of Rindge.

Respectfully submitted,

Peter J. Anderson
Road Agent

SELECTMEN
Town of Rindge
Rindge, N.H. 03461

We have examined the combined financial statements of the funds and account groups as indexed, of the Town of Rindge, New Hampshire, as of and for the fiscal year ended December 31, 1984. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the combined financial statements referred to above present fairly the financial position of the Town of Rindge, New Hampshire as at December 31, 1984 and the results of its operations and changes in financial position of its nonexpendable trust funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The supporting schedules listed in the index are presented for the purposes of additional analysis and are not a required part of the combined financial statements of the Town of Rindge, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

Respectfully submitted,
s/ Jon R. Land

INGALLS MEMORIAL LIBRARY
REPORT OF THE TRUSTEES 1985

1985 was a busy year for the Library. We continued our maintenance program. A timer was installed in the parking lot lights so we no longer have to feel our way out to the cars when closing the Library at night.

The side entry area, meeting room and children's room were cleaned and painted.

This coming year we expect to continue by painting the book charge area and the stack room.

Thanks to the generosity of the Roy A. Hunt Foundation, money has been set aside to completely renovate the staff work room, a project for which our staff has been patiently waiting.

As bids for a new heating system were far higher than we had anticipated or could afford, we were unable to replace our antiquated one. However, this important task will be taken care of this coming spring. We are deeply indebted to Mr. Arnold Anderson for suggesting that we apply to the Robinson Broadhurst Foundation for a grant to cover the cost of this very necessary project. We have just received word that we have been approved for the grant.

We were saddened by the resignation of faithful custodial and friend, Ralph Green. He will be greatly missed. We wish him a happy retirement.

As usual, our thanks to our dedicated staff and volunteers who work so hard to make our Library run smoothly.

REPORT OF THE LIBRARIAN

The past year has been an active one at the Library. We have welcomed classes, helped with REAP. We have enjoyed watching the toddlers at their weekly get-togethers. The Girl Scouts have used the Meeting Room throughout the school year.

Just a reminder- the meeting room is available, without charge, to any local, non-profit organization. Reservations may be made (at least one week in advance) by calling the Library.

Jodee Lee again managed a very successful flea market. Many residents look forward to this day of buying and selling.

Ralph Green, a valued member of our Library staff, retired in November. We miss him. He was so much a part of the Library. We welcomed Mochael Doherty as our new custodian.

Our report would not be complete without expressing our appreciation to our 1985 volunteers. Claire Adams, Betty Foust, Clara Fraser,

RINDGE CONSERVATION COMMISSION - 1985

During 1985 the Rindge Conservation Commission strived to protect the town's wetlands and to educate townspeople about their value.

Members attended Planning Board meetings, visited proposed subdivisions and made recommendations to the Board pertaining to wetlands. The Conservation Commission and the Planning Board worked together to prepare and promote a Wetland's Ordinance for Rindge. At an informational meeting and at a Public Hearing the importance of plants as wetland indicators and of soil overlays was explained. The films "Wetland's More Than Mud" and "Water, Out of Sight Not Out of Danger" were shown.

The Conservation Commission monitored gravel pits and other projects, responded to citizen complaints about wetland violations and checked Dredge & Fill Permit applications. A newsletter was prepared and distributed telling about the dangers of phosphates; outlining important wetland regulations and telling how landowners can protect their wetlands.

Members attended a Forum on Action for Water Quality held in Concord, Tri-Town Groundwater Protection Meetings and the annual meeting of the State Association of Conservation Commissions.

The Conservation Commission arranged for Jim Weidner to attend Youth Conservation Camp with a scholarship provided by Ed and Marge Stevens of Ed's Auction and the Monadnock Bank. The Commission is grateful for the valuable assistance of the Cheshire County Conservation District throughout the year.

RINDGE PLANNING BOARD

In 1985 the Rindge Planning Board, in addition to twelve (12) regularly scheduled meetings, held fifteen (15) work meetings. The work meetings were held to discuss the Master Plan, discuss changes in zoning amendments and to plan the Wetlands Ordinance. There were twenty-one (21) hearings in regard to subdivisions, seven (7) of these were technical (which involve no additional lots), and the remainder involved minor or major subdivisions, creating thirty-six (36) new lots.

The Board also made twelve (12) on-site inspections, and five (5) Site Plan Review inspections. It held three (3) joint meetings with the Zoning Board of Adjustment, and granted three (3) Earth Removal Permits.

In May 1985, the Board appointed three (3) new alternates. They are: Kim Sands, Eric Poor and David Wilson. Their terms expire in 1988. The Board also hired a clerk, Deborah Jackson.

The Board accepted the resignation of Peter Butterfield effective January 1, 1986, due to relocation of his family.

The continuing goal of the Planning Board is to update the Master Plan for the town.

SELECTMEN'S REPORT - 1985

1985 was another successful year for the Selectmen. Our main emphasis was to keep the tax rate down and still provide necessary services to the townspeople.

The major road project completed this year was Abel Road which had been postponed for the last few years. We also paved part of Little Michigan which should save the town money in the future.

With the adoption of the Occupancy Permit in March, the Selectmen have been kept very busy inspecting setback requirements for new buildings and additions. To keep up with the additional growth, we are increasing our capital reserves to meet with future needs. Along with the Fire Chief, we have also spent alot of our time breaking down bids for the new hose/reel truck in order to keep the costs within budget.

We would like to thank Mr. & Mrs. F. Paul Norcross for their generous contribution of land to the town. We would also like to thank all the town officers, employees, board members, and the computer committee for their hard work this year. A small town like Rindge wouldn't be the way it is if it were not for the dedication of the people involved and the townspeople themselves.

Thankfully, 1985 was not a repeat of 1984. Although the total number of calls was down only 24 from the previous year, there were far fewer of the serious calls which greatly increase payroll and equipment usage.

In an effort to make the town less of a mystery to responding emergency agencies, the following projects are underway:

1. We are in the process of replacing damaged and missing fire zone signs and adding new ones where needed. These are being used primarily around Lake Monomonoc and Lake Contoocook where there are many roads and driveways.
2. We are asking the people of Rindge to clearly mark their names either on their mailboxes or a sign at the end of their driveways. When labeling mailboxes it is best to do both sides as an emergency vehicles may not approach from the same direction as the mail carrier.
3. Public Safety Post 308 members are constructing street signs which will clearly mark the roads.

Not only will these measures aid the response of emergency personnel but it will also benefit the people of Rindge when delivery people or out of town friends and relatives are trying to locate you.

As this report is being written, the new hose reel pumper is being constructed and delivery is expected in late winter to early spring. The cost of this unit is considerably less than the \$ 100,000.00 appropriated for it.

We wish to thank the people of Rindge for their past and future support. Please make fire prevention an everyday practice.

Craig A. Hoyt, Chief
Rindge Fire Department

(A detailed list of offenses is available at the Police Department)

Crime, and the fear of crime, are continuing problems in small as well as large communities. Statistics don't tell the whole story. Each individual crime hurts us all; our neighborhoods, schools, children and businesses. Programs such as Neighborhood Watch, Home Surveys and Safety Tips, Operation I.D. and Key-Holder are some of the positive steps taken to reduce crime. The prevention of crime cannot be accomplished by police alone; citizen help is required. Personal responsibility for crime prevention is a basic concept that must be recognized and practiced by citizens of all ages, no matter where they live.

Together, we can make a difference.

Sincerely,

David J. Collum
Chief of Police

RINDGE RECREATION DEPARTMENT
1985

1985 proved to be a very productive year for the Recreation Department. We felt more town support this year from all ages and have seen more volunteers dedicate their time and effort to the goal of the Recreation Department, in offering a wide range of activities and programs for all Rindge residents.

Once again, our summer program proved to be most successful. We will be increasing activities offered during this program this year, and are looking forward to developing a summer camp-like atmosphere.

Other anticipated changes include the addition of a Bingo program for adults, to be run by volunteers; increasing the February playground program activities to accommodate more children, expanding the Little League and Minor League teams in the town; and offering two band concerts during the early summer and fall months.

We successfully supported the elementary school sports program, (cut due to school budget cuts) and saw that the school had new uniforms and a basketball clock in the school gym for the children.

Unlike the larger towns, the Rindge Recreation Department runs on a low budget, and requires the need for volunteers in the area to support us in many of our endeavors. Through your support we are able to continue to run programs, and offer a maintenance program at Wellington field. As you know, we have added fencing around the ball field, and 1986 will add a fence around the play area to protect the youngsters from the road.

Thank you for your continued support.

ANNUAL REPORT**REPORT OF COMPUTER STUDY COMMITTEE
1985 - RINDGE**

This report summarizes the findings of the Rindge Computer Study Committee formed in April of 1985. The committee consisted of Matthew L. Denaro, Victoria Hall, John Hunt and Peter Wells. Our objective was to determine what options are available to the town at this time for adding computer capability to the town administration, and to recommend what we feel is the best route for the town to take.

It is the opinion of the committee that the ideal system for the town would be a fully integrated package: hardware, software and support from one well-established vendor, with all functions integrated. For example, such a system would generate tax bills, put the amounts due into accounts receivable. As the payments come in, the receivables would be automatically transferred to the accounting. There would be an audit trail at every step of the process. Such an integrated system is time-consuming and expensive to develop, and the software must be maintained as the laws change. This is one reason why vendor selection is all-important.

Broadly and briefly, the major options for adding computer capability are:

- 1) Purchase a computer, word processing package, database manager and possibly some additional software, and learn to use it. Custom programming could improve the capabilities of the system.
- 2) Purchase the turnkey (complete package already customized for NH towns) package recommended above.

There is a significant difference in cost between the two approaches. The starting price for approach #1 would be roughly \$ 2-3000. with additional costs as the system was expanded and software added through either purchase or custom programming. Quality custom programming is expensive and time-consuming. The disadvantage is the lack of a full, integrated system to serve the long term needs of the town. With proper hardware selection (typically IBM PC compatible) chances are that this starter system could be used as a terminal on an integrated system. If not, an independent town function might take it over.

Turnkey systems come in many apparent varieties, and several vendors, large and small, offer such packages with varying degrees of capability. Most of the smaller packages include only a few functions, such as property tax billing, and are programmed for just one user on a single computer terminal. These usually cost in the \$ 5,000.00 to \$ 10,000.00 range and will not, in our opinion, serve our long-term needs. By the time you are talking multi-user systems with full integration, ballpark figures are \$ 10,000.00 for the computer system itself, and another \$ 10,000.00 for a full set of integrated software modules. It is possible to add the modules a few at a time to reduce the initial outlay.

We have located two vendors who appear worthy of consideration, both with multi-user systems and full software integration.

Northern Data Systems is based in Bedford, NH and has been providing systems for NH towns for over two years. The hardware is provided by a subsidiary company and appears solid and reliable. The software is written in a version of BASIC which, although it has some disadvantages with respect to COBOL, appears to perform well. The town of Wolfboro

ANNUAL REPORT

has had their system for two years with all functions including, in their case, utility billing, and speaks very highly of the system and the service from Northern Data. Unfortunately, current prices are quite high, in the vicinity of \$ 30,000.00 based on preliminary information.

The Computer Center is located in Maine, and first developed packages for towns in that State. They are now expanding into New Hampshire. The hardware which they use is solid equipment from an established vendor with a good reputation in the market; the software is written in COBOL which is the classic computer language for business applications. Our investigation has turned up some questions with respect to the current state of the tax billing software for NH. It appears to be still undergoing changes and corrections. We expect that they will solve any problems on the basis of their obvious experience and commitment to the market, but there may well be rough edges for an indefinite period in the meantime. Their price is around \$ 20,000.00.

We feel that these two companies should be given prime consideration by the town for full turnkey systems. However, we have not yet seen figures which will justify the cost of such a system for Rindge. They may well exist, but the Selectmen and the Town Office will need to put forth additional effort to come up with those figures. It is possible that other towns who have gone this route, or the vendors themselves, will be able to assist.

Our recommendation at the moment is to wait another year. It is our hope that either or both of the following will occur: 1) Northern Data Systems, in response to the developing market forces, will re-evaluate their system and its pricing, and 2) The Computer Center will resolve the apparent problems with their tax billing hardware.
